

21—52.3(175A) Goals and purpose.

52.3(1) The goals of this program are to:

- a.* Assist persons in establishing, improving, or expanding vineyards or winemaking operations, including wineries; and
- b.* To enhance and develop the native wine industry and to provide an infrastructure to encourage the growth of the native wine industry in this state.

52.3(2) Purpose. The purpose of this program is to provide assistance to eligible applicants to carry out grape and wine development programs.
